

BOSTON - MASSACHUSETTS

TO THE NOBLES, THEIR LADIES AND FRIENDS:

I am delighted to announce and cordially invite each of you and your friends to join us on the November 5, 1961 sailing of the M. S. BERGENSFJORD from Boston to SAN JUAN, ST. THOMAS and BERMUDA.

Much planning and effort have been put forth to obtain the fabulous 'Round-the-World cruise ship, the M. S. BERGENSFJORD, for our Shriners' "Minute Man" Cruise and offers the relaxation and pleasures which can only come from eight days of pleasant association with other Nobles and their ladies on a CARIBBEAN CRUISE.

There will be impromptu and planned entertainment, both day and night; dancing to two different orchestras; welcome aboard cocktail party and many other activities in which we can all participate. You will enjoy exciting Continental cuisine from dawn to dusk. These will be eight days to treasure forever!

The M. S. BERGENSFJORD is ideally suited for cruising in warm climes. She is an 18,750 ton luxury liner with a cruising speed of 20 knots, completely air-conditioned and equipped with every facility.

Shipboard activities including deck games, swimming, dancing, bridge, pre-release motion pictures and professional entertainment are only a few of the events which will make for happy days and pleasant nights.

There will be ample time in each enchanting port of call for sightseeing, fishing, swimming, shopping and other independent activities.

Due to the space demands for such an attractive Shriners' Caribbean Cruise, we urge that all those who plan to participate to send in their reservations NOW, along with their deposit, made payable to CARIBBEAN CRUISE LINES, to avoid disappointment. An early reservation will assure you of the best accommodations.

Attached is an application for your reservations. Your family and friends are welcome to join the Shriners' "Minute Man" Cruise.

Looking forward to welcoming each of you aboard, I am

Sincerely and fraternally yours,

George B. Rowell
